Dear Ms Chan,

**Subcommittee to Follow Up Issues Relating to
the Three-runway System at the Hong Kong International Airport**

Follow-up to the letter from Hon Jeremy Tam

In his letter dated 21 September 2017, Hon Jeremy Tam requests the Subcommittee to discuss marine works safety of the Three-Runway System (3RS) and an incident of a fireboat being stranded in the 3RS works area that took place earlier. I am authorized to reply as follows.

The relevant Government departments, together with the Airport Authority Hong Kong, are following up on the aforementioned incident and reviewing the emergency communication mechanism of the 3RS marine works, and will provide the relevant information to Members at a later time.

Yours sincerely,
