

**Subcommittee on Two Proposed Resolutions  
under the Fixed Penalty (Traffic Contraventions) Ordinance and  
the Fixed Penalty (Criminal Proceedings) Ordinance**

**List of follow-up actions arising from the discussion  
at the meeting on 23 May 2017**

The Administration is requested to provide a paper before the next meeting of the Subcommittee stating whether it will take on board members' views and suggestions made at the captioned meeting, and if so, the further revised legislative proposals of the Administration. The views and suggestions of members are:

- (a) reconsidering whether to retain the original proposal of increasing by 50% the fixed penalty charges for all or a certain item(s) of the six offences stipulated in the Schedule to the Fixed Penalty (Criminal Proceedings) Ordinance (Cap. 240), taking into account stakeholders' views including that of the transport trade; and
- (b) instead of a uniform increase in the fixed penalty charges across the board for all offences under the Fixed Penalty (Traffic Contraventions) Ordinance (Cap. 237) by 50% or 25% as proposed by the Administration, excluding some parking-related offences from the increase or setting a lower level of increase in respect of some offences.
