

*Maintenance and safety-related improvements of public rental housing flats*

---

---

The Committee held three public hearings on 10 and 23 December 2016 and 13 January 2017 to receive evidence on this subject. As the witnesses have provided voluminous information in response to members' enquiry at the hearings, the Committee has decided to defer a full report on this subject in order to allow itself more time to consider these evidences and the issues raised in the Director of Audit's Report.
