## **Panel on Environmental Affairs**

## **Subcommittee on Refuse Collection and Resource Recovery**

## List of outstanding items for discussion (position as at 10 April 2017)

	Proposed item for discussion	Proposed timing for discussion
1.	Comparison of refuse collection and resource recovery systems of advanced cities overseas	To be confirmed
	In accordance with its work plan, the Subcommittee will compare the refuse collection and resource recovery systems of advanced cities overseas with those of Hong Kong, and make recommendations to the Administration.	
	The Research Office of the Legislative Council Secretariat will prepare information notes on the relevant systems of selected cities for the Subcommittee's reference. The Information Note on "Separation and collection of household waste in selected places" (IN08/16-17) has been issued to the Subcommittee on 21 March 2017 vide LC Paper No. CB(1)713/16-17. Another information note on waste recycling in selected places is expected to be completed in May 2017.	
2.	(a) Support for local community on recycling – Community Recycling Network and Community Green Stations	To be confirmed
	(b) Progress report on the Steering Group on Modification of Recycling and Refuse Collection Facilities in Public Places	
	The Administration will brief members on the support for local community on recycling, and the progress of the Steering Group's work.	

	Proposed item for discussion	Proposed timing for discussion
3.	Progress and effectiveness of producer responsibility schemes	To be confirmed
	The Subcommittee would like to be briefed on the progress and effectiveness of producer responsibility schemes ("PRSs").	
	[Note: The Panel on Environmental Affairs has already received an update on the progress of preparation for implementing the PRS on waste electronic and electrical equipment at the Panel meeting on 23 January 2017. The Panel will be briefed on the progress of the PRS on glass beverage containers in the second quarter of 2017 tentatively.]	
4.	Management of disposal of construction waste and yard waste	To be confirmed
	The item was raised by Dr Hon YIU Chung-yim, Deputy Chairman, at the meeting on 15 November 2016. He suggested the Subcommittee discuss with the Administration the management of construction waste and yard waste.
