Follow-up actions arising from the meeting on 28 November 2016

Agenda item V — Implementation of the Recycling Fund

The Administration was requested to provide:

- (a) a comparison of the latest annual quantity (in terms of tonnes) of waste plastics disposed of at landfills after the implementation of the Recycling Fund ("the Fund") in October 2015, against that of the preceding years from 2012 to 2015;
- (b) the Government's policies and initiatives, such as green procurement policy, for promoting domestic consumption of locally produced environmentally-friendly products made from recycled materials;
- (c) outlets for the different types of recyclables processed by approved projects under the Enterprise Support Programme including the Small-scale Standard Projects set out in Annex D to the Administration's paper (LC Paper No. CB(1)158/16-17(04)); and
- (d) the reasons for rejecting applications to the Fund in the past.
