

Panel on Environmental Affairs

Follow-up actions arising from the meeting on 27 February 2017

Agenda item V — Promoting the use of electric vehicles

The Administration is requested to provide information and statistics on:

- (a) the total number of registered hybrid commercial vehicles as at end 2016 and the number of newly registered hybrid commercial vehicles in each of the past three years; and
- (b) carbon emission arising from the production, charging and energy consumption of electric vehicles, under defined parameters such as travelling distance and charging time.
