

Export or import ivory
Terrccc to: panel_ea

27/05/2017 16:09

Dear Committee,

I would like to express that I totally DISAGREE to import, export and sell any ivory in Hong Kong. The elephants are killed and hurt because of this. This is too cruel and sad!

The no. Of elephants in the world are highly reduced which is very bad. We don't want to see any kinds of animals become extinct because of human.

Thank you for your attention!

Regards,
S. Y. Chiu
