

**Support for ivory ban**  
Samuel Chan to: panel\_ea

29/05/2017 18:11

Dear Sir/Madam,

I am writing in full support of the ivory trade ban. It is a measure that has been long overdue, and I do NOT believe the argument to compensate traders is valid. It would only incentivise even greater poaching in the short term, and aggravate the problem.

Best regards,  
Samuel
