

**Petition for HK Government's ivory ban.**  
Rhyn C. to: panel\_ea

30/05/2017 07:14

1. Hong Kong Government needs to ban trading of ivory.
2. There needs to be an increase in penalties for wildlife crime.
3. Ivory traders should not be compensated for their ivory stocks by the Hong Kong Government. They are already make huge profits and killing a lot of animals!

Sincerely,  
Rhyn Cheung
