Subject: Proposed plan for phasing out the local trade in elephant ivory

Dear Chairperson,

I support a COMPLETE BAN on the import, re-export and trade of ALL elephant products in Hong Kong because it is a barbaric trade that has no place in a civilised, world-class city like Hong Kong.

I object to any compensation paid to ivory traders. Ivory belongs to the elephants not the traders.

I strongly support in favour of increased penalties under the Cap. 586 Protection of Endangered Species of Plants and Animals Ordinance.

Yours sincerely,

Justine Zee Kwok
