Dear Sir/Madam,

Please take this email as my official submission to oppose the continuation of the ivory trade.

This practice is cruel and should no longer exist in any developed markets such as Hong Kong.

Please do your utmost to free Hong Kong from this trade.

With best regards.

Dear Madam/Sir,

Following my last submission concerning the ending of ivory trade, I would like to further my points below:

- support on the complete ban on the ivory trade
- support higher penalties for wildlife crime
- support prosecution and strong deterrent penalties for those engaging in wildlife crime
- do not support any form of compensation for ivory traders.

I would appreciate if my views are taken into consideration in any future discussions concerning the ban on ivory trade.

With best regards.
