Dear HK Government,

It is time to follow the example of China and other pro active countries around the world and put an end to the atrocious and idiotic trade that is ivory.

The price to be paid for ivory trinkets today is the loss of one of the most majestic mammal roaming the Earth.

Please do the right thing, the ivory traders have had more than enough time to continue "business as usual" in HK though international laws forbid it! It is now time for them to be fully retired for the greater good of all!

1. I SUPPORT the Hong Kong government's ivory ban.
2. I SUPPORT the Hong Kong government's proposed increase in penalties for wildlife crime.
3. I OPPOSE the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

Regards,
Sophie Rey
