Dear Sirs

My name is Lorraine Whitehouse; my family and I live in Stourbridge in the UK. We all feel strongly about protecting wildlife and in particular the plight of elephants and rhinos and the awful trade in ivory.

We fully support the Hong Kong ivory ban and urge your legislative council to refrain from any action that compensates ivory trades.

We truly believe that elephants lives are worth more than ivory merchandise and thank the HK government for taking a strong stand.

I saw a quote just recently which I feel is appropriate "Good people always do the right thing!" PLEASE SAVE THE ELEPHANTS! Thank you.

Yours sincerely

Lorraine Whitehouse (Mrs)
