Hello Hon. Tanya Chan,

I am writing to you today to inform you that I strongly support the Hong Kong ivory ban. Ivory is an outdated product and should be no longer available. I also support Hong Kong's proposed increase in penalties for wildlife crimes. It is our duty as humans to protect all wildlife that exists on this planet, and to ensure that the wildlife is not exploited for profitable gain. Those that abuse and exploit animals should be strongly penalized.

I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stock. These traders have profited enough off the merciless killing of animals and do not deserve any further profits.

I appreciate your time and consideration.
