Please respond to Jane Riley

My name is Jane Riley and live in New Zealand. I am a strong advocate of animals.

I strongly support the Hong Kong Ivory Ban and urge the Hong Kong Legislative Council to refrain from supporting any action that compensates ivory traders.

elephants are a crucial part of the world's ecosystem but currently face extinction. The beauty of Ivory should only be looking at it on living elephants, where it serves an important function, not as a decorative piece that ultimately results in the deaths of animals and deaths of rangers protecting them.

Please help save these great creatures from extinction.

Many thanks for your consideration.
