

Elephants need our help

Merve Yigit to: panel_ea@legco.gov.hk

04/06/2017 03:29

Hello authorized,

I am Merve Yigit and i am writing from Turkey. I request to help elephants because i love them as all other animals. I believe that you love too. Even if you don't, you should support us to stop dying. Ivory traders must be stopped and i am up beside Hong Kong. #protectelephants

Sincerely,
Merve
