Hello, my name is Maureen Taylor-Shone and I live in the UK. I do everything I possibly can to help support Elephants, and to stop them from becoming extinct, while I applaud your pledge to ban the ivory trade by 2021, I am very worried that while it is a dying trade, I don't think it should come before an increasingly endangered Animal, so I am asking you to please refrain from any action that will compensate Ivory traders. Thank you Maureen Taylor-Shone
