Dear Sir or Madam:

Ever since I was a child I have always been fascinated by elephants. There is just something about them; they are so beautiful, majestic, and graceful. They are very intelligent as well. I am amazed by the way they communicate with one another and the way they care for one another and their young. I cannot imagine a world without them.

I wanted to tell you that I support the Hong Kong Ivory ban. I respectfully urge the Hong Kong Legislative Council to refrain from supporting any action that compensates ivory traders.

Thank you for your time and consideration.

Sincerely,

Ms. L O'Hara
