Dear Sir/Madam,

I am writing to you today about the Hong Kong IVORY BAN and to urge you, the Hong Kong Legislative Council to refrain from supporting any action that compensates ivory traders.

My name is Lesley Yoneda and I live in Scotland. Although I have no actual experience of elephants, they are very precious to me. I study their characters, their family love and respect, their intelligence.... They have been around for so long and deserve to be around forever. Unfortunately, the greed of humans is putting their existence in danger and so I urge you, good people of Hong Kong, to protect them.

Please.

Kind Regards,

Lesley
