To whom it may concern,

My name is Brittany Tate and I am a 27 year old from the United States. I love animals and I am lucky enough to be able to have the time, resources and drive to help them as often as I do. I always feel like I could do more and never pass up an oppertunity to do so. I support the Hong Kong Ivory Ban and urge the Hong Kong Legislative Council to refrain from supporting any action that compensates ivory traders. I would very much appreciate it if you would do your best to protect these beautiful animals so that the joy and history they bring to the world won't be snuffed out.

Thank You
