Dear Mrs. Tanya Chan,

I support the Hong Kong Government's ivory ban. Ivory is actually the lives of many elephants. We need to stop ivory trade in Hong Kong because elephants are already endangered animals.

I also support the Hong Kong Government's decision to increase the fine for wildlife crime. Why do we take an elephant's tusk? It is just like taking only one part of a person and taking its life for one part.

I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

Yours sincerely, Austin
