Dear Clerk or Chairman of the LegCo Environmental Affairs Panel:

My name is 馮貝凌 (Belén Woo Fung) and I am an 11 year old student in Year 7 at King George V.

I have been working in support of the Elephant Ivory Ban since more than a year ago. We learned about the terrible effects of elephant poaching in Year 6 at Clearwater Bay School. My team researched the topic deeply and designed educational displays. I also recruited other students to participate in public awareness events.

Because of my activities, the Chief Executive met with me in March 2016 to discuss the ivory ban. I expressed my deep appreciation for the support of the Chief Executive and other legislators.

This is my statement for the Public Meeting [on June 6.](#)

我支持香港政府象牙禁令。我支持香港政府增加野生動物罪行刑罰。我反對香港政府對象牙商人仍持有的象牙存貨作出賠償。

**I support the Hong Kong government's ivory ban. I support the Hong Kong government's proposed increase in penalties for wildlife crime. I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.**

Thank you very much for organizing the Public Meeting. I am looking forward to speaking about this important issue there.

Best regards,

馮貝凌  
Belén Woo Fung
