

Please ban ivory trade
Martin Williams to: panel_ea

05/06/2017 12:04

Dear Tanya:

Quick note, to fully support ivory ban for Hong Kong.

The right thing to do; as you and others know.

Also, with no compensation for traders.

It's an obscene trade.

Already continued far too long in Hong Kong. Shameful, as you also know.

Best regards,

Dr Martin Williams
