To whom it may concern

I am writing to you to express my support of the legislative proposal being put to the Environmental Affairs panel on 6th June 2017.

In particular, I support the ban on importing and re-exporting all elephant specimens that are currently permitted in HK and banning the local trade in ivory. I do not believe there should be any compensation for ivory traders and I support the increase of penalties under Cap. 586 Protection of Endangered Species of Plants and Animals Ordinance.

Many thanks

Victoria Tiang
