

Ivory Trade HK
Alan Taylor to: panel_ea

05/06/2017 11:05

Dear Tom and Panel,

I wholeheartedly support all the proposals to ban the Ivory Trade here in Hong Kong be it currently permitted import/export of ivory or the local ivory trade. I also agree that penalties should be increased significantly to those who endanger our species by performing this trade illicitly and am happy that compensation should not be paid.

Kind regards,

Dr Alan Taylor BSC BVSc CertVA MRCVS
