Hello,

My name is Susan and I am originally from Canada. I recently lived several years in Hong Kong and found it to be an energetic and contemporary city. However, as an elephant lover, I was troubled by the many shops I saw selling elephant ivory since I know the devastation it causes elephants in the wild and how it leads to their increasing endangerment.

I support the Hong Kong Ivory Ban and urge the Hong Kong Legislative Council to refrain from supporting any action that compensates ivory traders. I firmly believe that citizens value leaders willing to stand up for conservation.

Sincerely,

Susan Wilcox
