My name is Kim Samuel and I am from Canada. I am writing in support of the Hong Kong Ivory ban, world wide Ivory ban, and strongly and urgently urge the Hong Kong Legislative Council to refrain from any action supporting any action for the compensation of Ivory traders.

We must protect these beautiful animals, and take a stand for them.

The idea that Ivory traders be compensated for their Ivory hordes is the same as compensating murderers for keeping/distributing organs or body parts... it is awful, disgusting and unacceptable.

Please do not ignore our emails.

The future of these animals is in all of our hands. You will be held accountable for the choices and decisions you make now, later...

Thank you

Kim Samuel
