Dear Ms Chan,

I support the Hong Kong government's ivory ban.

I support the Hong Kong government's proposed increase in penalties for wildlife crime.

I oppose the Hong Kong government paying compensation to Hong Kong ivory traders for their ivory stocks.

We think that elephants have the right live freely in the wildlife and live where they suppose to be and WE would like our next generation will be able to see a wildlife elephants too.

I agree that whoever tries to smuggle any ivory into a country should get arrested and the people/shops who are still selling ivory should STOP.

kind Regards,

Stephanie Glover (Year5 student Kennedy school)
