Dear Ms Chan,

1. I support the Hong Kong Government's ivory ban.
2. I support the Hong Kong Government's proposed increase in penalties for wildlife crime.
3. I oppose the Hong Kong Government paying compensation to the Hong Kong ivory traders for their ivory stocks.
4. 100 elephants are killed every day for their tusks just to make some statue, trinket or display.
5. 100,000 elephants are getting killed by poachers in just three years just for money.
6. Ivory sellers/traders just don't care about the animal, they just care about the money they earn from the poor animals. Why cant elephant live their life freely?

Regards,
