Dear Ms Chan,

1. I support the Hong Kong government's ivory ban
2. I support the Hong Kong government's proposed increase in penalties for wildlife crime
3. I oppose the Hong Kong government paying the compensation to the Hong Kong ivory traders for their ivory stocks
4. Do you know how much elephants are killed, they only have 1 life it is also the same as human being. Due to the elephant are killed can you guess how many elephants are killed everyday? Over 100 elephants are killed everyday! We adore elephants I would rather let them stay in their natural habitat instead of have them killed because of ivory, so because of the killed elephants i will be so frustrated if MORE elephants are killed! Do you know what are the elephants's personality the make people laugh by making funny faces.
5. I believe that ivory smuggling, trading and selling should be banned in Hong Kong,

Yours Sincerely,

Becky Year 5 Kennedy School Pok Fu Lam
