Dear Ms Chan,

I support the Hong Kong government's ivory ban.

I support the Hong Kong government's proposed increase in penalties for wildlife crime.

I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

It is totally unacceptable people are allowed to sell ivory in Hong Kong. Since elephant is a beautiful and peaceful creature and I am sure nobody wants these animals to become extinct. Anybody who tries to smuggle ivory into Hong Kong should be penalised and all the vendors too.

Once there were so many elephants and now they are becoming extinct! Help them please.

Kind Regards,

Akshi
