Dear Ms Chan

I support the Hong Kong government's ivory ban.

I support the Hong Kong government's proposed increase in penalties for wildlife crime.

I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stock.

I support the governments ivory ban because it is unacceptable that people in Hong Kong are selling ivory in stores for people to buy.

I think that selling ivory is really bad for our elephants and if vendors keep smuggling ivory all the vendors should be penalised

Save Our Elephants Because We Love Them.
