Dear Ms Chan

1. I support the Hong Kong government's ivory ban.
2. I support the Hong Kong government's proposed increase in penalties for wildlife crime.
3. I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.
4. We absolutely love elephants, I believe that they should be kept in their natural habitat. What is better, a small antique that is easy to break or an elephant that you could visit almost everyday?
5. I believe that ivory selling, trading and smuggling should be banned in Hong Kong, since we are basically destroying their population and not letting the next generation to see these wonderful animals.

Yours sincerely,
