Dear Ms Tanya Chan,

I am a Year 5 student in Kennedy School and I support the Hong Kong government's proposal to ban ivory trade.

1. I support the Hong Kong government's Ivory ban.
2. I support the Hong Kong government's proposed increase in penalties for wildlife crime.
3. I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

I think that it's a tragedy that Elephants are dying just for house decorations. I love Elephant's, they are peaceful, calm creatures. They are already endangered species and we should not be the generation that get's Elephants extinct. I think we should let the ones that are left stay on earth.

Yours sincerely,
Avni Patil
