Dear Ms Tanya Chan,

1. I SUPPORT the Hong Kong government's ivory ban.
2. I SUPPORT the Hong Kong government's proposed increase in penalties for wildlife crime.
3. I OPPOSE the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

The elephants are calm and do not try and attack you so why can we not be calm and not attack the elephants?

Anyway ivory is plain boring white but glass is

1. Made with a natural material.
2. You can color the glass to whatever color you want.
3. If you leave broken pieces in the sun it turns back into sand!

Kind regards,
Mia
