Dear Ms Tanya Chan,

1. I support the Hong Kong government's ivory ban.
2. I support the Hong Kong government's proposed increase in penalties for wildlife crime.
3. I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

In my opinion, I think people should not kill elephants and use their tusks to make decorations because after you make the decorations and sell them to others, but after a few years, people might not want them and they think it is not beautiful any more and they want to throw it away.

Thank you.

Your sincerely,  
Chloe Chan
