Dear Ms. Tanya Chan,

I am a student of Kennedy School I am in year 5.

I support the Hong Kong governments ivory trade ban because I think it is a very good idea to stop this as it is very cruel and it is very wrong and horrible.

I support the Hong Kong governments increase of penalty for wildlife crime because no animal should go through a very horrible stage.

I oppose the Hong Kong government paying compensation to ivory traders because elephants are lovely creatures there is no reason for them to get compensation for this crime.

Yours sincerely,

Dhruv
