Dear Ms Tanya Chan,
I am a Year 5 student in Kennedy School.

1. I SUPPORT the Hong Kong government's ivory ban.
2. I SUPPORT the Hong Kong government's proposed increase in penalties for wildlife crime.
3. I OPPOSE the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

I think it is a brilliant idea for Hong Kong to ban the ivory trade, in order to improve elephant protection. Elephants are endangered animals that are very kind and gentle, and they shouldn't be killed. If we ban the ivory trade, no more elephants will be killed because people won't buy the ivory. I think that the Hong Kong government should NOT pay the ivory traders for their ivory stocks because the source of the ivory is illegal. I think the Hong Kong government's ivory ban decision is a suitable decision and I hope it will happen.

Kind Regards, Sean Ye 5A
