Dear Ms Tanya Chan,

I am from Kennedy School.

I support the idea of the government's ivory ban. I think it's a very good idea to improve Hong Kong and save the environment.

I support the Hong Kong government's proposed increased in penalties in wildlife crime.

I think it is very cruel to hunt down animals for parts of their body. I think the penalties would impact the poachers.

I oppose the Hong Kong government paying compensation to the Hong Kong ivory traders for their stocks. I think the poachers don't deserve any money for what they have done to the elephants.

Kind Regards,

Ben
