Dear Ms Tanya Chan

I SUPPORT the Hong Kong government's ivory ban.

I SUPPORT the Hong Kong government's proposed increase in penalties for wildlife crime.

I OPPOSE the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks.

I think the government is doing the right thing banning ivory. Its not fair on the elephants.

Its not the right thing to do by killing elephants so I think the government should increase the penalties.

I agree with the government to ban selling and trading in Hong Kong.

Regardless Eliot Marschall.
