To the Legislative Council of the Hong Kong Government:

My name is Sharon Riendeau. I am a proud and compassionate Canadian advocating a Full Wide World Ban, including yours, the Government of Hong Kong, on ALL Ivory Products by 2021.

However, you have suggested delaying the Ivory Ban because the Ivory Traders are seeking monetary compensation. Th Elephants simply cannot wait. These majestic animals are under severe threat from Poachers and the population is on a downward spiral. Many cultures hold Elephants in high regard yet they are aggressively poached for their Ivory.

Please, Legislative Council, I urge you to act NOW. Elephants are endangered and must be granted FULL PROTECTION by NOT compensating Ivory Traders.

Thank you,

SHARON RIENDEAU
