Dear Sir or Madam, I heard that Hong Kong is still a major hub for lucrative Asian ivory markets. Therefore I SUPPORT the Hong Kong government's ivory ban. Furthermore I SUPPORT the Hong Kong government's proposed increase in penalties for wildlife crime. But I OPPOSE the Hong Kong government paying compensation to the Hong Kong ivory traders for their ivory stocks. Ending the ivory trade in Hong Kong is critical to international efforts aimed at securing a future for Africa's elephants. Please help elephants to survive. It's an urgent matter! The international community counts on you! Thank you for your attention! Yours sincerely, Ines Hoffmann from Bielefeld, Germany
