Hello,

My name is Teresa Bradford, I live in the United States - I care very much about elephants and I'm writing to say that I fully support the Hong Kong Ivory Ban. I'd like to urge the Hong Kong Legislative Council to refrain from supporting ANY action that compensates ivory traders.

This ivory ban is extremely important - we must save elephants from extinction. Elephants are a keystone species and we need them.

Please help the elephants, please do not support any action that would compensate or help ivory traders.

Thank you,  
Teresa Bradford
