Hello,

My name is Susan Gilles from St. Louis Missouri, USA.

I strongly support the Hong Kong Ivory Ban and urge the Hong Kong Legislative Council to refrain from supporting any action that compensates ivory traders. Elephants are on the verge of extinction and if we all don't join together now to stop the slaughter of these magnificent creatures, our future generations will only know them in photographs. Please take action now to ban ivory.

Thank you for your time.

Susan Gilles
