

Hong Kong Ivory Trade
SACHA LYTHERAO [5S] to: panel_ea

05/06/2017 15:04

For the attention of the Honorable Tanya Chan,
I am writing to persuade you to put a ban to the smuggling of ivory in Hong Kong, that is putting an end to the lives of hundreds of innocent elephants all over the world. At the Leg Co meeting tomorrow please may you share our ideas and ensure that in the future the ivory trade will be non-existent in Hong Kong.

Yours Sincerely,
Sacha LytheRao KS
