

Hong Kong's Ivory Trade
CHINNY KWOK [5S] to: panel_ea

05/06/2017 15:03

For the attention of the Honourable Tanya Chan,

I am writing to persuade you to stop letting people sneak ivory into boxes and address them to Hong Kong, it could damage the elephants, it could also make them extinct. I know we can all save the elephants. Please pass on this message to the other protesters tomorrow in the Leg Co meeting. We can all make a difference!
