For the attention of the Honourable Tamaya Chan,

I am writing to you to persuade you to stop the smuggling of ivory. At tomorrow's Leg. Co. meeting, we could make history by ensuring ivory cannot be sold in Hong Kong anymore.

Firstly, if any ivory is smuggled into the city, you should check every container on the container ship, to make sure that ivory never reaches the city.

We can make a huge difference by stopping Ivory Trade.

Please help us to pass on this important message to the people in the government who can make a difference.

Yours sincerely,

Kush Zingade
