

Ivory Trade Happening In Hong Kong
Gaspard DECHY [5S] to: panel_ea

05/06/2017 14:59

For the attention of the honorable Tanya Chan,

I am writing to you about the ivory trade happening in Hong Kong. At tomorrow's Leg co meeting, we could change what is happening right now!!!

We should be scanning all boxes to be sure no one ships or travels with ivory. Breaking the laws is against the rules. 96 elephants killed everyday, That is so much. WE HAVE TO STOP!!!

We could make history!!!

Yours sincerely

Gaspard Dechy
