

**Panel on Environmental Affairs**

**Follow-up actions arising from the meeting on 26 June 2017**

**Agenda item V — Review of the Air Quality Objectives**

The Administration is requested to provide information on:

- (a) the timetable of completing the feasibility study on the Electronic Road Pricing Pilot Scheme to formulate detailed options for the next stage of public discussion; and
- (b) how to determine whether the current Air Quality Objectives ("AQOs"), which took effect from 1 January 2014, are applicable for conducting the air quality impact assessment of a public works project under the Environmental Impact Assessment Ordinance (Cap. 499) ("EIAO"), including whether the EIAO requirements based on the current AQOs may apply to certain ongoing public works projects for which environmental impact assessments or environmental permits had been conducted/issued before the AQOs took effect.
