

**Panel on Environmental Affairs**

**Follow-up actions arising from the meeting on 17 July 2017**

**Agenda item IV — Review of the Sixth Technical Memorandum for  
Allocation of Emission Allowances for Power Plants**

The Administration is requested to provide information on how the Administration assessed whether the estimated changes in local electricity demand provided by the two power companies, namely, the Hongkong Electric Company, Limited and CLP Power Hong Kong Limited, in their forecasts in previous years were reasonable, including the factors and statistics, if any, which the Administration had taken into consideration.
